RITIK PRAJAPATI

Full Stack Developer

Enthusiastic Full Stack Developer with a strong foundation in JavaScript, React.js, and React Native for frontend, and Node.js, Express.js, and MongoDB for backend. Recently graduated in Computer Science, I have honed my skills through academic projects and hands-on experience, focusing on responsive web and interactive mobile app development. Skilled in building scalable APIs and optimizing performance, I excel in collaborating with small teams to deliver high-quality solutions. Passionate about writing clean, efficient code and eager to contribute to a dynamic team.

LIVE PROJECTS

DAILY DIGEST
View Project: https://ritikbuilds-dailydigest.netlify.app/
- Developed a dynamic news application using React, showcasing proficiency in integrating and managing data from **NewsData API**. Implemented responsive design principles using **Tailwind CSS** to ensure optimal user experience across devices.
- Implemented user-friendly features such as category filtering and search functionality. While ensuring responsive design and smooth navigation using Tailwind CSS.
- Tech Stack: React, Tailwind CSS, NewsData API.

PORTFOLIO WEBSITE AND OTHER PROJECTS
View Project: https://ritikprajapati.netlify.app/
- Developed a personal portfolio website using React, showcasing proficiency in front-end development and design principles. Implemented responsive layouts and utilized SCSS for streamlined styling and enhanced user experience.
- Developed **Various Other** animated responsive projects accessible through my portfolio website.
- Tech Stack: React, SCSS,

ACHIEVEMENTS
- **Enhanced Efficiency:** Enhanced efficiency of various animated websites by at least 25% through optimized and efficient use of animations.
- **Training and Development:** Delivered a JavaScript programming session for over 50 participants, achieving a 95% satisfaction rate.
- **Professional Engagement:** Attended the IEEE International Conference 2023, staying updated with the latest advancements in the field.
- **Personal Development Initiative:** Successfully completed online courses on JavaScript and React, achieving certification with distinction. Applied newly acquired skills to optimize personal projects, resulting in a 40% improvement in code performance and user experience metrics.
- **Implemented Effective Coding Practices:** Introduced modular coding practices and version control workflows in a team setting, reducing code conflicts by 40% and improving code readability, leading to faster development cycles and more efficient project collaboration.

PROFESSIONAL CERTIFICATION
- WDB Certificate Web development boot camp by Angela Yu
- React Mastery Certificate React Mastery by Harshit Vashisth
